Prime Minister, Ministers, Mayor, Chief,

The deplorable situation and total disrespect taking place at the National War Memorial and the Tomb of the Unknown Soldier (as reported in the Ottawa Citizen link below) cannot be allowed to continue. This contempt should not and can not be permitted nor tolerated.

Inadequacies and inaction by policing forces are inexcusable and not acceptable. Now is not the time to squabble over jurisdictions or authorities.

The Polish Combatants' Association in Canada implores the powers that be to secure Confederation Square containing the National War Memorial and the Tomb of the Unknown Soldier to prevent protestor encroachment and further desecration of these sacred monuments dedicated to the men and women who fought and many of whom died for the true freedoms we enjoy today in this our great country.

Your immediate action is demanded and expected.

We Will Remember Them!

Andrzej Ruta
National President
